HENRY & MARTHA WEBB

FUCHSIA NOVELTIES

from the hybridizing gardens

of

MR. G. NIEDERHOLZER

San Francisco

▲ 1944 NOVELTIES

EXCELLENT NOVELTIES

Decidedly different from each other and most others.

***CARLA** . . Long thin perfect in form. Most charming. Pale flesh sepals and tube, carmine corolla.

***DOLORES** . . A close to perfectly self colored carmine rose, medium sized, charming hanger, with long, slender branches.

***ABUNDANCE** . . About the most floriferous variety, medium size, delightfully irregular, corolla in pale bishop blue, rose upright sepals.

FRITZ KREISLER . . A beautiful new type, single and semi-double rhodamine purple corolla, and crimson upright sepals.

SYMPHONY . . A color harmony of magic charm. Cobalt violet corolla and pale phlox pink sepals, with a graceful 4 inch spread.

***TWISTIE** . . A peculiar charmer, pale orchid long corolla.

***RAMONA** . . A fine red hanger, single long flowers.

SUPER OTTO . . Red and purple, single, very long.

FLAME . . Ivory and brilliant orange, single.

SAINT TERESA . . The most graceful, single flower, of the famous pale pink and pure white series.

APRICOSE . . A wide open single flower in a new shade of apricot color, fine bloomer.

Price 35c and up.

*Indicates Hangers

▲ 1945 INTRODUCTIONS

UTOPIA . . the largest single, perfectly shaped flower. Dark tyrian rose corolla and brilliant crimson rolled up sepals.

CHARLES ABRAHAM . . so named in honor of a San Francisco pioneer in fuchsia culture. A most beautiful red and purple semi-double flower.

HONEYMOON . . a true sensation in blue, semi-double wide open. Red sepals and beautiful veronica blue corolla.

LIEBESLEID . . (Love's Sorrow) A near climber. Pale ivory sepals inside faintly pink. Corolla pale imperial purple. Single to semi-double.

LIEBES FREUD . . (Love's Joy) A well shaped single flower with deep crimson single corolla and rose pink sepals and tube, strong upright growth.

MAIDEN'S BLUSH . . is one of the "near white" novelties. Faintly pink double flowers of good size. Low bush.

MARY C. WARE . . The most exquisite in honor of a fuchsia pioneer. A double in solid palest pink. Finest in form and color.

MRS. J. D. SCANNAVINO . . A memento to an outstanding horticulturist. Palest almost pure white orchid color, single, beautiful.

***MIRACLE** . . Entirely new in color and form. Long calix, almost white, deeply serrated single corolla striped in faint pink and white.

RICHARD DIENER . . A new type in red and white, single, with extra large sepals. Named in memory of the producer of fuchsia "Aviator".

WHITE PEARL . . in shape like the well known "Pink Pearl" corolla is pure white and calix very pale pink.

ELECTRA . . (Azalia) A well shaped new form, double with wide open center, red calix, palest pink almost white and rose veined corolla. A large flower and fine foliage.

Price 2½-inch pots 60c each, three for \$1.50

▲ 1945 INTRODUCTIONS (continued)

***CAPRICE** . . A sister of Coquette, long tube and well recurved sepals in pale rose madder. Short single petunia purple corolla. Anthers are very prominent on long ivory pink stamens.

COLLINGWOOD . . a fine member of the "new white line" Well formed, double, perfectly white corolla of good size and pale pink sepals and tube.

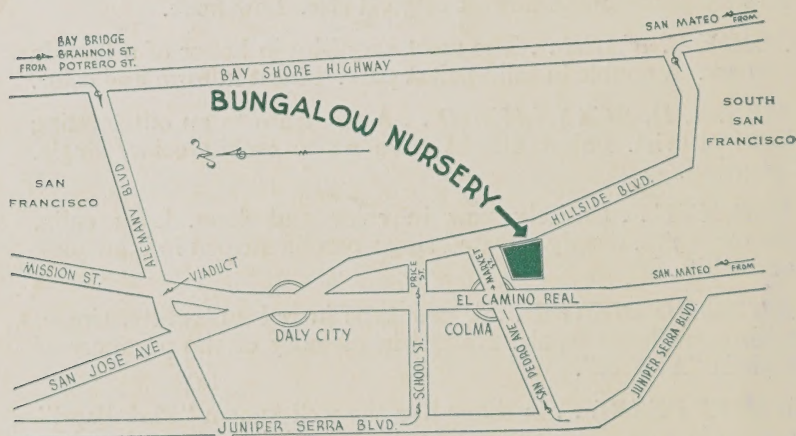

***CHRYSANTEA** . . very large double red and purple. Extremely loose and narrow petals. A beautiful oddity, will make a good hanger.

HEAVENLY BLUE . . A great beauty in the singly and long form. Sepals are narrow and all rolled up, fine pale pink. The corolla is pale blue.

***GOLDEN GATE** . . Very compact bright golden yellow foliage with red veins and stems. Small but brilliant red and purple flowers.

Price 2½-inch pots 60c each, three for \$1.50.
